

To the good people at Dorr Aviation

My name is Nicholas Willis and I just wanted to write and express my gratitude for all the support I have received over these past couple of months. Everything that has been sent has been put to good use. What I can't eat or use my battle buddies take, they love it when I get packages. Some of the things you've sent look expensive it makes me want to ask you guys for a job application when I get out of the military. I will be home by June first and I will try to make an appearance when I get the chance to come back to the Cape. So thank you again not only from myself but from all of us here in the 37th Eng Bn.

Sincerely
Nic Willis.
