Dear Ms. Tyler,

Thank you for your gift of \$190.00 to support the Freedom Alliance Scholarship Fund. Your generosity makes it possible for us to honor American heroes and fulfill their dream of providing a college education for their children.

Freedom Alliance's Scholarship Fund honors Americans in our Armed Forces who have sacrificed life or limb defending our country, by providing educational scholarship to their children. Thanks to your support, Freedom Alliance provided scholarships to 200 students this year, and to date, we have awarded well over \$3 million to the sons and daughters of American heroes.

One of our scholarship recipients is Tanner Babb. Tanner is studying Electrical Engineering at the University of Evansville in Indiana. His father, Marine Sergeant Brock Babb, was killed during the first Gulf War when his humvee was hit by an IED.

Tanner sent us this note after receiving his scholarship: "Before college, I was introduced to the thought of becoming an engineer for the United States Military. With the help of the Freedom Alliance Scholarship, I am able to attend the University of Evansville, which I would not have been able to afford on my own."

With your generosity, we will continue to honor our fellow citizens who make great sacrifices for our nation. Freedom Alliance will make the dream of a college education come true for their children.

Thank you for your confidence in Freedom Alliance and your investment in America's future. May God bless you and your family as He has our nation.

Gratefully,

Thomas P. Kilgannon  
President
